- Connexion deployment remains on track for construction completion by mid-2022 with service availability to all premises by the end of 2022.
- Construction Budget reflects an additional appropriation of \$8.2 Million from existing reserves authorized by City Council on September 7, 2021. We are approximately 95% spent on the appropriated construction Budget.
- Net Total margin continues to be favorable to budget by approximately \$800k, a result of operating expense containment more than compensating for the shortfall in revenues YTD.
